WORKER'S COMPENSATION PROTOCOL

For more information on Therapy Partners of North Texas Worker's Compensation services

please contact any one of our 10 locations
in the Greater Dallas Area

- Clients are scheduled with **24-48 hours** of referral and **Functional Capacity Evaluations** can be accommodated within **one week**.
- Most of the time clinics can accommodate **same day** appointments.
- Des Moines Physical Therapy can provide **flexible scheduling or Block Scheduling** for your convenience.
- A written prescription is required. If unavailable, we'll obtain this information from the treating Physician. All **pre-certification requirements** are completed before the first treatment.
- The initial evaluation will address:
 - **Work status**.
 - **Functional goals** correlating with **job tasks**.
 - Goals will address **returning to work**.
- The initial evaluation will be faxed to the referring physician and the adjuster (or case manager).
- The adjuster (or case manager) will be notified if **transportation or other issues** affect the client's compliance with therapy.
- **A No-show/ Cancellation letter** is faxed to the referring physician and adjuster (or Case Manager) documenting any no-shows or cancelled appointments.
- A **job description** will be obtained when possible to customize rehabilitation.
- **Communication** will occur on a regular basis via **phone call** after the **Initial Evaluation**; this will be followed up with **progress notes, and phone calls as requested**.
- **Written progress notes** will be done **every 6-9 visits or 2 weeks** (whichever comes first) and before each Physician appointment. We can also **customize communication** to meet your individual needs.
- **Compliance issues or significant client status changes** (as it affects treatment outcomes or work status) will be reported **within 24 hours** to the referring physician and adjuster (or case manager).
- **Discharge summary** will clearly address the client's status regarding the vocational goals set during treatment.
